ICCU

Karl Tucker - fence

Next Const. new home

Next Const. - new home Porticade Const. - solar panels new home SDH Const.

Kendall Wilson - solar panels

Lisa Burnett - solar panels

A roll call vote was taken: Jeff – aye, Adam – aye, Kim – aye. Approved three in favor, Leif absent.

Adam said Chief Rod Mohler is retiring from the Police Department on May 31, 2022. Adam moved, Kim seconded to appoint Chad Purser as Police Chief for the City of Shelley effective June 1, 2022. Approved three in favor, one absent.

Lori Boyce was not in attendance. Justin said he looked into a way to get water to the three properties that Ms. Boyce requested at the last meeting and the cost to do so. He presented a diagram to run a four-inch line that would provide water to irrigate the retention pond area and to allow the addition of three one-inch lines to the three homes. Justin said this will cost between \$8000 and \$10000. He said

to place a six-inch line that will allow the installation of a fire hydrant for safety and flushing purposes as well will cost \$13000 to \$16000. Justin said currently there is a two-inch line running down Highway 91 which is fairly old. He said if this new line is constructed the only building on the old line will be Hard Times. Justin said each homeowner will need to pay approximately \$2000 and will also need to sign a consent to annex agreement. He said Brent Christensen is willing to install five hundred feet of line at no cost to the city or property owner for the labor. Mayor Pascoe said we need to make sure the property owners are willing to be annexed and all three of them are willing to pay for the new one-inch line. Kim said she will follow up with the property owners.

Farrell Steiner of Searle and Hart Associates presented the 2020-2021 fiscal year audit. He presented handouts for each member to review. Farrell explained what they test for during the audit and presented graphs showing the financial condition of the city. Farrell said overall the activities are pretty normal as to what they see. He said the opinion letter is clean and there are no findings to report. Jeff moved, Kim seconded to approve the 2020-2021 fiscal year audit. Approved there in favor, one absent.

Lyle Barney and Ben Porter of the Shelley Quick Response unit were in attendance to discuss the proposal of acquiring two ambulances. Mr. Barney said the QRU was established in 1986. He said there were 762 calls last year. He said Bingham County pays \$101,000 annually with a 3% increase each year to have ambulance service from Idaho Falls. Lyle said that last year Blackfoot has 118 calls and 68 of those calls were transported to the hospital. He said Blackfoot gets annual revenue also. Lyle said QRU can provide a quicker response time and received \$228,000 last year to run two QRU units twenty-four hours a day, seven days a week. He said they use volunteers to run the QRU. Lyle said they can provide the same service with quicker response times. He said he knows the population is growing, and QRU is asking for the city's support. Lyle said they have a grant submitted to the State for an ambulance. He presented a rough budget for the Firth/Shelley QRU. He said an ambulance costs \$220,000 to \$280,000. He said for an older second ambulance it will cost about \$50,000 to \$60,000 and would be the same for a third back up ambulance. Lyle said currently there are four advanced EMT's. He said to work twenty-four seven it will take seven paramedics and two EMT's. Lyle said they need the city's support to pursue this idea. The Council liked the idea and asked to be kept posted on the developments.

Kim Adam wanted to discuss the Just Serve Program. She presented the number of volunteers that work on the projects this year. She said 41 projects with 677 participants serving the Shelley and Firth area. 1015.5 hours of manpower were spent during this project. Mrs. Adams said the pancake breakfast raised \$1380 for the Firth Fire Department. The Mayor and Council agreed this is a great project and would like to see it continued each year. They also felt the pancake breakfast should continue, but other agencies should take turns hosting the breakfast.

Jeff and Adam requested that regulations regarding chickens be discussed. Mayor Pascoe said he feels there should be extremely strict language to regulate having laying hens in the city limits. He said we need to have the parameters in place and feels a full-time code enforcement officer should be hired before proceeding. Adam said a lot of cities have the same parameters; six hens and no rooster, no

slaughtering, and no selling eggs. Also, the coup needs to be at least fifteen feet away from the property line. Kim said she would like to have the applicants obtain the signatures from the neighboring property owners. Jeff said the parameters should include a permitting system. The council determined they would like to get information from other cities on what regulations they have and any negative or positive experiences they have had. Kim moved, Adam seconded to table this issued until the June meeting. Approved three in favor, one absent.

A resident in attendance said she just paid \$17 for five dozen eggs. She said she has lived in other cities in other states where they are allowed. She said she does not understand why in a rural community they are not allowed.

Adam moved, Jeff seconded to hire Jayden Wilde as the groundskeeper for this season. Approved three in favor, one absent.

Kim moved, Jeff seconded to approve a business license for Your Home Care Giving at 850 E. 1500 N. Approved three in favor, one absent.

Kim moved, Adam seconded to cancel the May 24, 2022, Council meeting. Approved three in favor, one absent.

BJ presented Ordinance 634 regarding amending the RE front setbacks to forty-five feet minimum and 65 feet maximum. Adam moved, Kim seconded to suspend the reading of Ordinance 634 on three different days and read the tile of Ordinance 634 once. A roll call vote was taken: Adam – aye, Kim – aye, and Jeff – aye. Approved three in favor, one absent. Adam read the title of Ordinance 634. Adam moved, Kim seconded to adopt Ordinance 634 amending the front setback in the Residential Estate zone. A roll call vote was taken: Kim – aye, Adam – aye, and Jeff – nay. Approved two in favor, Jeff opposed. Motion carried.

Justin said he could not get the water meters that we list on our specification sheet. The IPearl meters have been ordered for the past nine months. Justin said he would like to allow a Zinger meter to be used on a temporary basis. He said it is a lower cost, and when the IPearl meter is available the homeowner would need to change it. Adam moved, Kim seconded to approve the new specifications to allow a Zinger meter to be used until an IPearl meter becomes available. This will allow the new homeowners outside of the city-on-city water to comply with city ordinance. Approved three in favor, one absent.

BJ said he will be drafting the Snowbird Ordinance, but he needs to define Snowbird more explicitly. The Council determined a Snowbird will be a resident who leaves there home from mid-October to mid-April and are gone for over sixty days. The home on the property must be fully built with the property owner leaving for that time period who must reside on the property.

Mikel asked to clarify the punch cards at the pool. The 100-punch pass will offer a discount of \$.50, however all other punch cards will be for convenience only and no discount will be offered except for the water aerobics as it is at the present. Also, the large group rule will be removed. Jeff moved, Kim seconded to change to punch card to \$300 for one hundred passes. Approved three in favor, one absent.

Mikel said the retrofit for the Aquazip at the pool will cost an additional \$1000 more than budgeted to fix. He asked if we still want him to order the retrofit or purchase another piece of equipment instead. Kim moved, Jeff seconded to expend the additional \$1000 on the retrofit for the AquaZip. Approved three in favor, one absent.

The Mayor and Council discussed the requirement of a 24 x 24-foot garage. Jordon said right now we are using dimensional or square footage for the minimum requirement. He said we talked about a minimum frontage with the garage. Adam felt twenty feet wide would be adequate. Jordon said if they do not go as wide, they will need to go deeper to meet the square foot requirement. Jeff moved, to allow a 24 x 24-foot two car garage which will measure dimensional only. The motion died for lack of a second. Further discussion was held. Jeff moved, Kim seconded to approve the minimum size for a two-car garage will be 24 x 24 which will be measure dimensionally only. If a third car garage is constructed that is a benefit to the homeowner. Approved two in favor, Adam opposed. Motion carried.

Sandy said she is working on a draft for the amended plan for the Country Club Road Urban Renewal Agency.

Adam said the IDEAS group came to him and would like to see something done at the North Bingham County Park. He said the IDEAS group will sign a lease to take care of all of the maintenance south of the tree line. Adam suggested that he and Justin meet with the IDEAS group to define the maintenance they would be responsible for. Council agreed.

Justin presented the bids he received for the various street improvement projects to be done this summer. He said these are for two-inch overlays.

## Aspen Project:

Asphalt Maintenance	\$77,931.60
НК	\$76,665.36
Knife River	\$78,900.40

#### East Elm Project from Lincoln to Milton:

Asphalt Maintenance	\$73,218.75
HK	\$65,609.30
Knife River	\$65,790.00

# East Elm Project from Milton to S. Park:

Asphalt Maintenance	\$123,068.40
HK	\$122,110.40
Knife River	\$128,520.00

### West Elm Project from S. Park to Emerson

Asphalt Maintenance	\$54,495.00
HK	\$52,135.20
Knife River	\$53,720.00

Jeff moved, Kim seconded to approve all four projects and award them to H-K as lowest bidder as listed above. Approved three in favor, one absent.

Justin said the East Fir Sewer Project is almost done. He said it will cost about \$45,000 to finish the street once the project is done.

Justin said he has four projects he would like to crack seal and seal coat this year. He said he would like to do the walking trail (2 parts), the city hall parking lot, and the transfer station parking lot. The total to seal coat is \$45,573 and to crack seal is \$30,000. Jeff moved, Adam seconded to approve Asphalt Maintenance to do the work. Approved three in favor, one absent.

Sandy read a note that was given to her regarding Maureen stating what a wonderful employee she is with great customer service.

Mikel said swim lesson registration is ongoing. He said on Arbor Day three trees will be planted at the City Park at 3:00 p.m.

Jordon said the online permitting software is up and running. He said he has received good positive feedback and the provider is awesome to work with.

Justin said the Spring Clean Up is done.

Justin said the no parking signs will be installed on May 16th on Opal Court.

Justin said Sunset Vista Phases two and three will begin next week.

Justin said there is some curb and gutter on State Street/Highway 91 that need replaced for safety purposes. He said he will be meeting with the State regarding this matter.

Rod said since this will be his last council meeting before he retires, he wanted to say that he has had the honor of attending these meetings. He said Chad will fill his chair very well. Rod thanked everyone for their friendship and comradery.

Jeff said Chief Mohler has served the community well and is a great man.

Jeff said May 17<sup>th</sup> is election day and the Sewer District formation will be on the ballot. He encouraged everyone to get out and vote.

Kim said we have each other's backs and are more like a family at the city. She thanked Rod for his service. She said she appreciates everyone and is glad to be part of this family.

Adam said he is going to miss Chief Mohler. He said they have seen a lot of changes together. Adam said he looks forward to working with Chad as well.,

- ATTEST: Saway Shodwall

Mayor Pascoe thanked Rod and all of the city staff.

Adjourned: 10:48 p.m.
