July 21, 2025

Dear Citizens of Shelley,

We want to inform you that the ongoing construction on West Fir is projected to continue through October 15th. We understand the inconvenience this may cause and want to assure you that your safety and the timely completion of this project are our top priorities.

City officials have met with representatives from the Shelley Police Department, the school administration, and the bus transportation team to address concerns and ensure that safety measures are in place, especially with the upcoming school year.

We kindly ask all residents and visitors to drive with caution in the construction zones and to remain patient as we work toward these important infrastructure improvements. Your cooperation makes a meaningful difference in keeping our community safe and moving forward.

Thank you for your understanding and continued support.

Mayor Pascoe and Council Members
